## **Introduction:**

Economics Club (EASE) is one of the academic clubs of Navajyothi College, was formed in October 2020 as an interest-based club to impart knowledge and invoke discussions and conversations about the field of economics and to highlight its importance. EASE bears the responsibility of increasing awareness, generating inquisitiveness, and fostering passion among the students and faculty in the field of Economics. The main aim of the club is to help reinforce learning in the classroom and extend knowledge and application of economics as a subject beyond classroom learning. Club encourages curricular and co-curricular activities of students by providing all the support and guidelines.

## **Aim of the Club**

- Strengthen the relationship between students and faculty of the department
- To promote academic and co-academic excellence among the students of the department by conducting various curricular and co-curricular activities.
- Train students to work with groups
- Provide guidelines on various fields and scope of economics.
- Develop leadership capabilities of members
- Receive suggestions and views from all the students on how to develop department activities.
- Take the advantage of free time in group discussion and seminars.
- Provide recreational experiences within the environment of the department and college

## **Responsibilities of the Club**

1. To provide students with a chance to debate and further develop their understanding of economic issues and how they relate to the world at large.
2. No discrimination regarding race, sex, creed, religion, age, origin, etc. shall be found in the functioning
3. Ensure the club's activities are at the benefit of students in the interest of the college.
4. Each activity shall be initiated through a written proposal with the staff's signature in charge.
5. A separate report should be kept for each activity conducted on behalf of the club.
6. A permanent book of official minutes should be kept and passed on year after year.
