

## **STUDNETS' INITIATIVES IN SOCIAL ANIMATION [SISA]**

### **Policies and procedures**

SISA is an enterprise of the college envisaged to empower students to enter in social animation. This is an expression of the commitment of the college to society. The learning takes place not only in the four walls of the classrooms but also out in society. Each student should get to know about the society they live in and be trained to contribute their youth to the betterment of the society around them. Hence under the auspice of the college, apart from the NSS as social animation group, SISA would engage the students in leading them towards contributing to the public. The beneficiaries of this enterprise will be people in and around Cherupuzha Panchayath and neighbouring Panchayathus. The agents of the programme will be mainly postgraduate students.

### **Objectives**

1. To enable students to find, learn, and respond to the needs of society.
2. To understand the peripheral and marginalised people.
3. To inculcate values that protect the human dignity
4. To grow as a responsible citizen.

### **Mode of action**

1. The students shall adopt a place/ institution/centre for their activities.
