INDUCTION PROGRAMME FOR I BCA AND FRESHERS' DAY

The department of Computer Application organized an induction program for the first-year students on 12th July 2017. The program was conducted to inculcate the students about the speculative activities that are carried out inside the college. The Head of the Department welcomed the gathering and explained in detail the purpose of the induction program and the activities that are planned as part of the program. The students were given input about values and culture followed by the institution. The academic activities were briefed to the students introducing the curriculum and they were explained about the importance of Internal assessments and semester examinations. The students were fascinated to acquire protocols and professional ethics during their course of graduation inside the campus. During the program, the students were introduced to their mentors.

The Induction Program was accompanied by a freshers day program organized by the senior students of the department. They welcomed 1st-year students to the BCA family. Several exciting games were also arranged for the junior students and were enjoyed by all. It was a pleasant experience for the freshers. It helped to increase the confidence level of junior students.

BITZ FLARE 2K18

The department of BCA had been organizing intercollegiate 'Bitz -Flare 2K18' since 2014. Our Department organized **Bitz Flare 2K18** in 2018 as part of the series event. On 19 Jan 2018, a Mega IT Fest 'BitsFalre2k18' was conducted with enthusiasm and determination among the new set of student coordinators, student volunteers, and faculty coordinators. The fest was executed with a total of 6 events planned and organized at their best of quality. Focusing on the types of events to include in the fest were decided by fest coordinators keeping the interest and need of the computer Science students and college participation into consideration, with little emphasis on the fun full events behind the scene.

The event was successful enough to attract as many as 150 registrations from 22 colleges for a one-day fest which included all the events.
